

Dorsal Deluxe Single Wrap Rax Surfboard Soft Racks Pads and Straps (2) Dakine Block

Editor: DORSAL®
PDF

These are a pair of soft surfboard pads and two tie downs, that secure to the roof of your car.

Your surfboards, longboards and/or SUPs set on the pads and are held down with two tie down straps (included). Flexible rack fits cars with or without gutters The single rack will carry up to three surfboards securely Designed with heavy aircraft buckles for safety and strength Includes reusable carrying case
