In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage.

Masala Chai - or Chai, for short, means spiced tea. Chai has been enjoyed in India for centuries; although, it is prepared differently and several regional variations exist. The ingredients of a Chai beverage generally include tea, heavy milk, several spices and a sweetener.
