About this book

“ 20 Videojuegos ” is a Spanish Reader for learners, ideal for beginner or intermediate levels.

It briefly describes 20 popular and beloved videogames in an easy to understand Spanish. Because you know most of these these games (if not all), it will be easier for you understand the text and learn new words.

Here's the list of the games included:

Angry Birds
Candy Crush
GTA
Legend of Zelda: Ocarina of Time
Los Sims (The Sims)
Mario Kart
Metal Gear Solid
Minecraft
Monkey Island
Mortal Kombat
Pac-Man
Pokémon
Sonic the Hedgehog
Super Mario 64
Super Smash Bros
Temple Run
Tetris
The Last of Us
Wii Sports
World of Warcraft

What Spanish level do I need

Ebooks are a great way to learn new language vocabulary and grammar, thanks to the access to quick translations just by selecting or touching a word.

For that reason, both beginners and intermediate students can read it and enjoy it.

It is written in easy Spanish, and the grammar structures are simple and accessible.
